Subject – PR Mock Trading on Saturday, February 14, 2026

The Exchange has scheduled a mock trading session on Saturday, February 14, 2026.

The details of mock trading environment along with connection and trading parameters are as follows:

- Trading Members can access INDIA INX environment through BoltPlus on Web and In House / Vendor developed software.
- Connection Parameters Refer URL - https://www.indiainx.com/static/portals.aspx

Trading Members shall ensure that all user-ids approved for Algorithmic trading, irrespective of the algorithm having undergone change or not, shall participate in the mock trading session.

Trading Members using third party trading platforms of empanelled vendors or in-house developed systems through ETI APIs can use this opportunity to test their respective trading application during mock trading session for various functionalities (including exceptional market conditions).

ETI API version
There is no change in ETI API version.

Mock Trading Session Timings

Trading Session	From	To
1st Session	13:00:00 Hrs.	14:30:00 Hrs.
2nd Session	14:30:01 Hrs.	15:00:00 Hrs.

Market participants may note that the mock trading is merely for the purpose of testing and familiarization and that the trades resulting from such mock trading will not attract any margin obligation or pay-in and pay-out obligation and will not create any rights and liabilities. Participants are requested to participate actively in the mock trading sessions.

Feedback of Mock Trading Session
To be able to provide our members with a robust & efficient system for trading with better features, feedback from all members is very important. We solicit your active support and participation in this endeavour. We request all members to give their feedback for the mock trading session to Business Operations team on the contact numbers/email id provided below by 15:30 Hrs.

In case of any queries or clarifications, trading members may kindly get in touch with their respective Relationship Manager or contact either the Business Operations or the ETI Tech Support teams for any clarification/queries on this circular –
